5. Please review the Bureau's law related to Private Security Services here: http://www.bsis.ca.gov/about_us/laws/pssact.shtml. Familiarizing yourself with the law will save you time during the workshop and prepare you for discussions pertaining to examination questions.

FLIGHT

If you must fly to Sacramento, flight arrangements will be made for you with the information provided in your registration form. **Airfare is prepaid by the Bureau.** You will fly into and out of Sacramento International Airport. The State has a contract with Southwest so you will be required to use this airline for your travel. Go to www.southwest.com to choose your flight.

ACCOMMODATIONS

You are requested to arrive at your hotel the *day before* your workshop begins. This will give you ample time to arrive in Sacramento, relax and prepare for the next day's workshop. **Hotels are not prepaid by the Bureau.** You will be reimbursed for hotel stays up to the state allowable rate plus tax.

You must retain your receipt, as you will be reimbursed for the cost. Please remember that the State will only reimburse you for the room and not any incidentals associated with it. Incidentals are items such as toiletries, movies, phone calls, etc.

SHUTTLE/TRANSPORTATION TO & FROM THE AIRPORT

Most hotels offer a complimentary airport shuttle that runs 24 hours a day. A list of preferred hotels can be obtained by e-mailing: Justina.Binsfeld@dca.ca.gov

OTHER TRANSPORTATION

The Bureau does not provide rental cars for workshops. Please call **Frontier Cab Company at 916-417-8325** to get a ride from the hotel to the workshop and vice versa. It will be under \$10 for the ride and up to six people can be transported at a time. Call at least 30-40 minutes in advance so that you will make it to the workshop on time. You must obtain a receipt from the cab driver so the state can reimburse the cost. If you see a fellow participant in need of a ride, it is encouraged that you to ride together so that the cab driver will not have to make so many trips. Uber and Lyft are also reimbursable with a receipt.

REIMBURSEMENT

You will be reimbursed only for those out of pocket expenses reimbursable by the State while attending your workshop. Please be sure to keep all your receipts. State reimbursement will be paid for the following costs only:

- Incidentals (tips) are reimbursed at a maximum of \$5.00 per 24 hours (with a receipt).
- Parking is reimbursed at a maximum of \$10.00 per day (with a receipt).
- Per Diem is paid at \$100.00 per day and is paid with your reimbursements.
- If you drive your own vehicle, mileage will be reimbursed at a rate of \$.54 per mile (the rate changes yearly).
- Hotel (with a receipt).

NOTE: Any expenses incurred over the state reimbursable amount will be your responsibility. No Federal or State income tax shall be withheld from reimbursements and per diem. However, the State of California is required to report all payments to the Internal Revenue Service and Franchise Tax Board for tax purposes.

NOTE: It takes 3-6 weeks from the date of submission to the Bureau's accounting office to process a request for reimbursement. This process cannot be expedited.

CONTRACT DOCUMENTS

You are required to enter into a contract with the state in order to participate in a workshop and receive your reimbursement and per diem (Government Code Section 19130 and Business and Professions Code Section 40). You do not need to worry about completing the contract documents before the workshop. You will be given an overview about the contract process at the workshop, and provided completed contracts that will only need your signature. You cannot receive reimbursement and per diem if this contract is not completed. If you would like to review the contract documents prior to attending the workshop, please e-mail Justina Binsfeld at justina.binsfeld@dca.ca.gov to obtain and review a copy.
