

Bureau of Security and Investigative Services

Advisory Committee Meeting

July 7, 2016

Agenda Item 10: Proposed Updates to the BSIS Firearms Training Manual

The Bureau is in the process of updating the BSIS Firearms Training Manual and is proposing changing the following areas:

1. Revising the Firearms Training Outline with the updated language from CCR Section 635 (pages 8-13)
2. Making non-substantive changes throughout the manual to provide better clarification
3. Replacing all statutes referenced (Business and Professions Code, Government Code, Penal Code, etc..) throughout so that the sections of law cited are true and correct
4. Updating information pertaining to firearm prohibitions (pages 16-17)
5. Adding language pertaining to the approval of calibers (page 17)
6. Updating information pertaining to peace officer (pages 18-19)
7. Updating Proof of Citizenship lists (pages 21-22)
8. Clarifying concealed carry and transportation of firearms (pages 25-26)
9. Update information on the Avoidance of Deadly Force and the De-escalation of Force (pages 47-53)
10. Adding language pertaining to approved targets
11. Updating Peace Officer Questions and Answers (pages 91-96)
