NOTICE

The California Department of Justice (DOJ) has updated the Biennial Firearms Permit Qualification Application, previously known as the Firearms Qualification Applicant form. All Firearm Permit Renewal Applications submitted for processing must now include this updated form, which is necessary for DOJ to verify a permit holder's ongoing eligibility to possess a firearm.

As of October 17, 2024, the new Biennial Firearms Permit Qualification Application is available on the Bureau's website at the following link: [Biennial Firearms Permit Qualification Application](#).

Please note that starting December 1, 2024, the Bureau will only accept the revised Biennial Firearms Permit Qualification Application.
