NEW APPLICATIONS TO REQUEST REPLACEMENT LICENSE

The Bureau has recently updated the application to request a replacement registration, permit, certificate, or license. Previously, all BSIS licensees submitted the same application form to request a replacement registration, permit, certificate, or license. Effective October 26, 2018 each license type (e.g. Security Guard, Alarm Company, Private Investigator, etc.) has its own application that is specific to the laws and regulations governing that license type.

To access the applications and review additional information about requesting a replacement registration, permit, certificate, or license please visit the Bureau's website at <https://www.bsis.ca.gov/replacementlicense.shtml>.
